

**Events in Molecular Biology
Week of September 26th, 2016**

<p>Monday, September 26th</p>	<p>4:00 PM 159 Boyer</p>	<p>Bioinformatics Seminar Series <i>"Whole Genome Sequencing in the Clinic"</i> Semyon Kruglyak, Ph.D. Director, Illumina San Diego, CA Host: Dr. Leonid Kruglyak Co-Sponsored by QCBio & CTSI This seminar is supported by the NIH NCATS UCLA CTSI Grant UL1TR0001881.</p>
<p>Tuesday, September 27th</p>	<p>12:00 PM 130 Boyer</p>	<p>MBI Interdisciplinary Faculty Seminars <i>"Teaching as Research: A Big Data Approach to Educational Experiments"</i> Christopher Lee, Ph.D. Department of Chemistry & Biochemistry Contact: Megan Weitzel (mbiasst@lifesci.ucla.edu) <i>*Open to all MBI Faculty, Lunch Served</i></p>
<p>Thursday, September 29th</p>	<p>12:00 PM 53-105 CHS</p>	<p>JCCC Research Seminar <i>"Paracrine Regulation of Normal and Malignant Hematopoiesis"</i> John Chute, M.D. Professor, Department of Medicine, Hematology/ Oncology Sponsored by Jonsson Comprehensive Cancer Center Cancer and Stem Cell Biology Program <i>*Light Lunch Served</i></p>
<p>Thursday, September 29th</p>	<p>4:00 PM 159 Boyer</p>	<p>MBI Thursday Seminar Series <i>"Metabolism and Cellular Decisions: Entwined in Health and Disease"</i> Jared Rutter, Ph.D. HHMI Investigator Professor of Biochemistry; University of Utah School of Medicine Contact: Megan Weitzel (mbiasst@lifesci.ucla.edu) Series supported by the MBI, College of Letters & Science, and the David Geffen School of Medicine <i>*Light Refreshments Served</i></p>
<p>Friday, September 30th</p>	<p>3:30 PM 159 Boyer</p>	<p>Cell and Developmental Biology Club <i>"TBD"</i> Wanlu Liu Department of Molecular, Cell & Developmental Biology Sponsored by the Jonsson Comprehensive Cancer Center Cancer and Stem Cell Biology Program</p>
